

CITY OF DINUBA DISPOSAL PROGRAM

The City of Dinuba, in conjunction with Peña's Disposal, implemented a 3-cart Disposal Program in July. The Program was a City Council goal to increase recycling efforts and reduce the amount of waste going to our landfills. The old split cans were replaced with two new 95 gallon disposal carts; one blue to be used for recyclable materials and the other green to be used for green waste. The old black, or grey, cart that was previously used for green waste became the waste cart with this program.

There was no change to the schedule pickup days. On your scheduled pickup day, place your black or grey waste cart and new blue recycle cart a minimum of 2 feet apart.

Here's a guide to help with understanding what goes in the 3-carts:

DO NOT CROSS CONTAMINATE

New **GREEN** Cart = Green Waste

Old **BLACK** or **GREY** Cart = New Waste

New **BLUE** Cart = Recyclables

Do put:

- Branches
- Grass
- Leaves
- Shrubs
- Trees (includes Christmas trees)
- Weeds
- Wood-Untreated

Do NOT put:

- Bamboo
- Dirt, sod, or rocks
- Flocked Christmas trees
- Food Waste
- Lawn Furniture
- Meat and Cheese
- Palm
- Plastic Bags
- Trash
- Yucca

Do put:

- Aerosol cans
- Animal waste or pet litter
- Ashes (bagged)
- Bottle caps
- Carbon paper
- CDs
- Ceramics or dishes
- Diapers (bagged)
- Flocked Christmas trees
- Food waste (bagged)
- Greasy car parts
- Mirrors or window glass
- Paper towels, plates or napkins
- Plastic or aluminum contaminated with food
- Plastic or waxed cardboard
- Plastic cups, plates or utensils
- Styrofoam block, containers or packaging peanuts
- Tissue or foil wrapping paper
- Tissues or toilet paper
- Toxic containers (empty, with no residue)
- Waxed paper or cartons

Do NOT put:

- Green waste
- Recyclables

Do put:

- Aluminum cans
- Books
- Cardboard
- Catalogs
- Dry food boxes
- Foil
- Glass or plastic bottles and jars
- Hangers
- Letters and junk mail
- Magazines
- Milk cartons and juice boxes
- Newspapers
- Notebooks
- Packaging
- Paper bags
- Phone books
