PROJECT DESCRIPTION AND BACKGROUND

Nestled in the San Joaquin Valley, Dinuba is home to some of the most fertile agricultural lands in the area, producing a wide array of crops such as raisins, nuts, vegetables, fruits, and more. By investing in the renovation and beautification of Entertainment Plaza, Dinuba continues to build upon its tradition of progress, enriching the lives of its residents while maintaining the unique qualities that make it a remarkable place to live, work, and play.

The Dinuba Entertainment Plaza Renovation & Beautification Project promises to significantly enhance the quality of life for Dinuba residents and locally owned businesses. As the downtown hub for many events throughout the year, Entertainment Plaza plays a vital role in the city's cultural landscape. Its location in the heart of Dinuba ensures accessibility for all community members, making it an inclusive space for enjoyment and forming strong cultural connections. This Project proposes the following improvements to the existing Entertainment Plaza:

- Install shade structures
- Install benches
- Install picnic tables
- Install trash receptacles
- Install decorative entrance monument signs
- Paint a mural on restroom building walls
- Construct elevated planters with drought-tolerant plantings
- Renovate the existing pavilion stage
- Replace turf in entertainment with no-mow, low-water use grass

City-owned and conveniently served by Dinuba's public transit, Entertainment Plaza requires no additional land acquisition or encroachment, making its beautification a more streamlined and efficient process. Located within a less than 10-minute walk from the transit center and having a transit stop at Entertainment Plaza further underscores this public space's potential to become a more vibrant, lively space for all residents. This existing public space is accessible to everyone free of charge. When residents visit Entertainment Plaza, they also support the downtown businesses in the surrounding area and the downtown district.
