I. AGREEMENT

This Memorandum of Understanding, hereinafter referred to as the "Understanding" is made and entered into at Dinuba, California, this 1st day of July by and between the City of Dinuba, hereinafter referred to as the "City" and the Dinuba City Police Officers' Association, hereinafter referred to as "Association" for and on behalf of the employees in the Association.

The provisions of this understanding shall be subordinate to any present or subsequent Federal or State Law. The term of this Understanding is from July 1, 2025 to June 30, 2028.

PURPOSE: The purpose of this Understanding is to promote and provide harmonious relations, cooperation and understanding between the City and its employees covered herein and to set forth the full understandings reached as a result of meeting and conferring on hours, wages and working conditions in accordance with State law and City ordinances, rules and regulations.

SCOPE: This Understanding sets forth the full and entire Understanding of the City and the Association.

SEVERABILITY: Should any part of this Understanding be rendered or declared illegal or invalid by legislation or decree of a court of competent jurisdiction, this invalidation shall not affect the remaining portions of the Understanding.

MODIFICATION: Any agreement, alteration, understanding, variation, waiver or modification affecting any of the terms or provisions contained in this Understanding shall not be binding upon the City or the Association unless made and executed in writing by the City and the Association and, if required, approved by the City Council.

MUTUAL RESPONSIBILITY: The City and the Association recognize their mutual responsibility to provide the citizens those municipal services deemed appropriate by the City.

CITY RIGHTS: The City reserves, retains and is vested with, solely and exclusively, all rights which have not been expressly provided to the Association by specific provisions of this Understanding including but not limited to:

- 1) The nature and extent of services performed;
- 2) The employee's work weeks, shift plans and work hours;
- 3) The methods, means and personnel by which the City's operations are to be conducted; and
- 4) Such other decisions as may be necessary to organize and operate the City in the most efficient manner as determined by the City.

EMPLOYEE RIGHTS AND ASSOCIATION RIGHTS: The City recognizes the Association as the exclusive representative of Police Department employees. The City shall meet and confer with the Association on matters of pay, hours, and working conditions in accordance with State law and City policies, rules and regulations.

The City will designate a space within an employee work or break area for the Association to place a bulletin board. The Association will be responsible for the cost and maintenance of the bulletin board. The Association will remove inflammatory, slanderous, or otherwise inappropriate materials from the bulletin board.

Employees shall be free to participate in Association activities without interference, intimidation or discrimination in accordance with State law and City policies, rules and regulations.

The City shall notify the Association, in writing, of all new hires within ten (10) days after the initial hire date. The information provided shall contain name, job title, department, work location, work, home, and personal cellular phone numbers, personal email on file with the City and home address. Notwithstanding the foregoing, City shall not disclose the home phone number and/or home address of any employee who submits a written request that such

information remain private.

The City shall provide to the Association a list of all previously stated information for all bargaining unit members at least once every 120 days, with the exception of the home address and home phone of those employees who have requested in writing that their home address and home phone remain private.

When a new employee orientation/on boarding is scheduled, the Association will receive an invitation to such at least ten (10) days in advance of the scheduled date of orientation/on boarding, unless there is an unforeseeable urgent need requiring a shorter notice period, pursuant to California Government Code section 3556. City will allow the Association to meet with new employees hired into the bargaining unit for a reasonable amount of time during the employee orientation. An Association representative may be provided paid release time to attend the orientation so long as the release time will not create an operational/staffing issue and the paid release time will not result in overtime. In lieu of this meeting, the new employee orientation may take place with an Association representative at the department during a reasonable time period, on or about the new employee's date of hire.

Payment of dues or fees shall be by payroll deduction, after the City receives written authorization from the Association to make these deductions. The City will deduct the appropriate dues or fees as established and as may be changed from time to time by the Association, from the employee's pay and will remit such dues or fees to the Association.

Payroll deductions for new members authorizing dues deduction will become effective the first day of the pay period following the City's receipt of notice from the Association, or as soon thereafter as is practical. Payroll deductions will cease or be modified upon receipt of written certification from the Association that the employee has revoked or modified the deduction authorization for dues or fees. Revocations or modifications of authorizations will become effective the first day of the pay period following the City's receipt of notice from the Association, or as soon thereafter as is practical.

The Association agrees to maintain files containing authorization for dues deduction on behalf of employees, and to promptly provide proof of same, upon request of the City should a dispute over employee dues deduction arise.

In accordance with Government Code 1157.12, the Association agrees to hold the City harmless from all claims, demands, suits or other forms of liability that may arise against City for or on account of any deduction made from the wages of such employees pursuant to this MOU.

POLICIES AND PRACTICES: The Personnel Policies and Practices, as they exist now or as they may be amended through the meet and confer process, shall be applicable to employees unless superseded by any provisions of this Understanding.

Employees will then be required to pay the employee portion of the premium, if any, that is specified at the time for that particular coverage.

The basis of overtime is to provide a means of meeting occasional emergencies on a temporary basis without hiring additional employees.

Overtime shall be approved in advance by the Department Director.
